ABOUT US

VELZONE GRANITO is engaged in the business of Manufacturing and Exporting of Glazed Porcelain tiles based in Morbi, India. The business strives for integrity and excellence in its quality control and customer service systems. Velzone is a rapidly expanding company with young and energetic employees as well as a young and dynamic structure. Velzone is driven by innovation and cutting edge technology-

with a global reach by providing our clients with high-quality goods and customer care. Utilizing the most recent Italian technology and imported high-tech automated machines in accordance with all international norms. With the best employees working tirelessly to accomplish our most difficult objectives, we can make sure that both our products and our relationships with clients are consistently high-quality and long lasting.

Flawless designs to enhance your interior with sparkling glamour!

The aesthetic characteristics of this marble make it one of the most desired materials on the market. That is why its use is so wide spread both in Floor decoration and creation of piece of art. Spectacular in the living rooms thanks to its elegance and richness of details, this is a material that will never disappoint you, a formidable decorative choice.

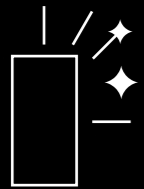

The other colors start out from black, gradually shifting through dark and light grey to white. The subtle texture and veins, tempered with a very light white, reminiscent of the night sky in black, give the product a smooth, extremely sophisticated appearance.

Technical Details

The Enigma Of Nature That Resonates In The Serenity Of Chosen Space.

Curated from the fragments of natural marble, embodied in our ecological tiles, it is reinventing the modern-day lifestyle. It captures the essence of the stone in its surfaces and delivers you a replication that is boundless, easy to maintain, with lessened breakage, and much more.

Third-fired material, pleasing to the touch and to the eye.

our glossy collection already available in stock or deliverable within ordinary times.

A wide assortment of modular and continuous decorations, featuring diverse moods and inspirations.

Modules 60x120, easy to transport and lay. They adapt to large and small floors without wastage.

Discover the never-ending features of robust and resilient Our Collection!

The surprising shine of the materials enhances the prestige and natural beauty of surfaces. We have created a timeless amazing collection that definitely meets contemporary design with unmatched elegance. Their colors and structures coordinate with one another spontaneously and are therefore always in harmony. The size range allows for enhancement of any space and offers the utmost design freedom for newly created modular solutions. These multi size installation patterns clad any surface with style and class.
